WELCOME TO OSILR 2025

An Interdisciplinary Dialogue Based on Linguistics, Education, and Sociology. This conference aims to explore innovative pathways for the fusion of language services and technology, encompassing the application of technologies such as Natural Language Processing (NLP), Artificial Intelligence (AI), and Big Data in language services and education. It will also delve into how these technologies facilitate the intellectualization and personalization of language education and language services.

Conference Dates
SEPTEMBER 04, 2025

Registration Deadline
SEPTEMBER 04, 2025

Full Paper Submission Date

PUBLICATION

After evaluation, excellent papers will be recommended for publication in the "[Forum for Linguistic Studies](#)" journal or open-access journals.

Others will be published in the OSILR 2025 conference proceedings by the conference publishing service company and will be fully indexed by CNKI (China National Knowledge Infrastructure Conference).

Note: All submitted articles should report original results, experimental or theoretical, not previously published or being under consideration for publication elsewhere. Articles submitted to the conference should meet these criteria. We firmly believe that ethical conduct is the most essential virtue of any academics. Hence, any act of plagiarism or other misconduct is totally unacceptable and cannot be tolerated.
